

CITROËN HERITAGE

Catalogue of Documentation Products and Services

Documents Files – The « Coffret Légende »

Paris, January 3rd 2012

Dear Fellow CITROËN Enthusiast,

The historic Archives service of the CITROËN Conservatoire is proud and pleased to be able to send to you our catalogue of documentation products and services.

We are working all the time to preserve, classify, organise and make available the historic records of our Brand.

We are endeavouring as well to respond to your requests for more information. In addition, we would like to keep you informed about the different services that we have put together to meet your needs.

Here are the different products which we have available:

- The document compilations of our new collection by model and theme, which has been enriched
- Our new prestige product, the "Coffret Légende"

We are here to help you, so feel free to contact us for more information.

Yours Sincerely
Catherine JEANNIN
Documents and Archives

DOCUMENTARY RESEARCH CITROËN document files

> Historical documents or information

- On CITROËN models to restore them
- On the main themes of the CITROËN brand by historical interest.

> Important documentary work

- By gathering them together from archives
- By selection
- By scanning into page format

> Genuine documents from the archives

- Copies of sales brochures, price lists and advertisements
- Notices of « PV des Mines » (Document stating that the vehicle conforms to national regulation), owner's manuals
- Articles from internal CITROËN periodicals.

> A beautiful folder printed in color

- With over 100 pages
- From 30 euros

> A collection by subject which has been enriched

- Currently, the collection of CITROËN vehicles include models from CITROËN Type A to the CITROËN 2 CV and CITROËN Ami 6
- The subject files cover the CITROËN Autochenille, the Croisière Jaune, the factories of Javel and of Levallois
- Each year, new titles are released.
